We hereby submit specifications and estimates for; Supply all necessary materials and labor to complete the following job; Remove and replace all the decking and joists on the 16' x 282' Boardwalk complete using new Pressure treated 2x6 #1 decking and 2x12 joists, The joist are to be secured to the existing beams using up-lift Simpson hangers and screwed using ceramic coated torque screws. The City of Hallowell and BH Builders Inc. will need to agree on the amount of pressure treatment used in the lumber as well as how and what we will be fastening everything together with. This estimate has 20% added to the standard treated lumber price as the lumber used for the boardwalk should have added treatment for longevity. (Materials price could change until these items are chosen.)

All debris will be cleaned up and hauled away on the job stated above.

If this proposal is accepted as stated above, please sign, date and return a copy in the enclosed envelope.
