SECTION 7-111 CITY OF HALLOWELL MORATORIUM ORDINANCE REGARDING RETAIL RECREATIONAL MARIJUANA

WHEREAS, the legislative body of the City of Hallowell (the "City") makes the following findings:

- (1) The Marijuana Legalization Act (the "Act") was approved by Maine voters in November 2016 and has been codified in the Maine Revised Statutes in Title 7, chapter 417; and
- (2) The unregulated location and operation of "Retail Marijuana Establishments" and "Retail Marijuana Social Clubs," as defined in 7 M.R.S.A. chapter 417, as well as other types of retail recreational marijuana activity within the City raises legitimate and substantial questions about the impact of such activity, establishments and social clubs on the City, including questions as to compatibility with existing land uses and

developments in the municipality; potential adverse health and safety effects on the community; the possibility of illicit sale and use of marijuana and marijuana products to and by minors; and the possibility of unlawful use of marijuana and marijuana products; and

- (3) As a result of the foregoing issues, retail recreational marijuana activity, and the location and operation of Retail Marijuana Establishments and Retail Marijuana Social Clubs within the City, have potentially serious implications for the health, safety and welfare of the City and its residents; and
- (4) The City currently has no regulations governing retail recreational marijuana activities, Retail Marijuana Establishments and Retail Marijuana Social Clubs, and existing ordinances are insufficient to prevent serious public harm that could result from the unregulated development of Retail Marijuana Establishments and Retail Marijuana Social Clubs and from other types of retail recreational marijuana activity; and
- (5) An overburdening of public facilities and resources, including public safety resources, is a reasonably foreseeable result of Retail Marijuana Establishments and Retail Marijuana Social Clubs locating in the City and/or other types of retail recreational marijuana activity in the City; and
- (6) The state's regulatory structure is unknown at this time as the Maine Legislature and state agencies have not developed final legislation or regulations governing Retail Marijuana Establishments and Retail Marijuana Social Clubs, and legislation amending the Act is pending; and
- (7) In the judgment of the legislative body of the City, the foregoing findings and conclusions constitute an emergency within the meaning of 30-A M.R.S.A. § 4356 requiring immediate legislative action.

NOW THEREFORE, pursuant to 30-A MRSA § 4356, be it ordained by the City as follows:

1. Moratorium. The City does hereby declare a moratorium on all retail recreational marijuana activity, and the location, operation or licensing of any and all "Retail Marijuana Social Clubs" and "Retail Marijuana Establishments," as defined in 7 M.R.S.A. chapter 417, including but not limited to, retail marijuana stores, retail marijuana cultivation facilities, retail marijuana products manufacturing facilities and retail marijuana testing facilities within the municipality.

No person or organization shall engage in any retail recreational marijuana activity or develop or operate a Retail Marijuana Establishment or Retail Marijuana Social Club within the City on or after the effective date of this Ordinance. During the time this moratorium ordinance is in effect, no officer, official, employee, office, administrative board or agency of the City shall accept, process, approve, deny, or in any other way act upon any application for a license, building permit, any other type of land use approval or permit and/or any other permits or licenses related to a Retail Marijuana Establishment, Retail Marijuana Social Club or retail recreational marijuana activities.

2. Pending Proceedings. Notwithstanding 1 M.R.S.A. § 302 or any other law to the contrary, this Ordinance shall govern any proposed retail recreational marijuana activity and Retail Marijuana Establishments or Retail Marijuana Social Clubs for which an application for a building permit, certificate of occupancy, site plan or any other required approval has been submitted to the City, whether or not a pending proceeding, prior to the enactment of this Ordinance.
3. Medical Marijuana Act. This Ordinance will not limit the privileges or rights afforded by the Maine Medical Use of Marijuana Act (22 M.R.S.A. §§ 2421 – 2430-B) to qualifying patients, primary caregivers, or registered dispensaries, including cultivation facilities associated with any of those classifications.
4. Conflicts/Savings Clause. Any provisions of the City's ordinances that are inconsistent or conflicting with the provisions of this Ordinance are hereby repealed to the extent applicable for the duration of this moratorium. If any section or provision of this Ordinance is declared by any court of competent jurisdiction to be invalid, such a declaration shall not invalidate any other section or provision.
5. Violations. If any retail recreational marijuana activity is conducted, or Retail Marijuana Establishment or Retail Marijuana Social Club is established, in violation of this Ordinance, each day of any continuing violation shall constitute a separate violation of this Ordinance and the City shall be entitled to all rights available to it pursuant to 30-A M.R.S.A. § 4452, including, but not limited to, fines and penalties, injunctive relief, and its reasonable attorney's fees and costs in prosecuting any such violations.
6. Effective Date. This Ordinance shall become effective immediately upon its adoption and shall remain in full force and effect for a period of 180 days thereafter, unless extended pursuant to law or until a new and revised set of regulations is adopted by the City, whichever shall first occur.

BE IT FURTHER ORDAINED, that this moratorium is extended and shall remain in effect for an additional one hundred and eighty (180) days after its original expiration date of September 8, 2018, unless extended, repealed, or modified by the legislative body.

Emergency Declaration

The Council declares the existence of an emergency because the City has no ordinances in place that regulate Retail Marijuana Establishments and Retail Marijuana Stores and Retail Marijuana Social Clubs and because the Council needs time to study Retail Marijuana Establishments and Retail Marijuana Stores and Retail Marijuana Social Clubs and enact ordinances that balance the rights of all, and that this Ordinance shall be effective immediately.

SECTION 7-112 MORATORIUM ORDINANCE REGARDING MEDICAL MARIJUANA STOREFRONTS

WHEREAS, the legislative body of the City of Hallowell, Maine (the “City”) makes the following findings:

- (1) The Maine Medical Use of Marijuana Act, codified at 22 M.R.S. §§ 2421 to 2430-B, (the “Act”) authorizes the possession, cultivation, and furnishing of medical marijuana to qualifying patients by caregivers, as those terms are defined in 22 M.R.S. § 2422; and
- (2) During the first regular session, the 128th Maine Legislature considered LD 1539, “An Act to Amend Maine’s Medical Marijuana Law,” which, if enacted, would amend the Act to expressly authorize the operation of retail stores by registered caregivers to sell harvested medical marijuana to qualifying patients; however, the ultimate disposition of LD 1539 is unknown at this time; and
- (3) No specific regulations governing such retail stores exist under the City’s Code of Ordinances; and
- (4) The City’s Code of Ordinances is insufficient to prevent serious public harm that could result from the unregulated siting and operation of such retail stores within the City; and
- (5) The unregulated siting and operation of such retail stores within the City raise legitimate and substantial questions about the impact of such retail stores and related uses and activities on the City, including questions as to compatibility of such retail stores with existing and permitted land uses in the City; potential adverse health and safety effects on the community; the adequacy of the City’s infrastructure to accommodate such retail stores; and the possibility of unlawful sale of medical marijuana and medical marijuana products; and
- (6) As a result of the foregoing issues, the siting and operation of such retail stores and related uses and activities within the City have potentially serious implications for the health, safety, and welfare of the City and its residents and visitors; and
- (7) An overburdening of public facilities and resources, including public safety resources, is a reasonably foreseeable result of such retail stores and related uses and activities located and operated in the City; and

- (8) The City needs time to understand the disposition of LD 1539 in relation to its own Code of Ordinances and to evaluate the effects of such retail stores and related uses and activities in order to prepare reasonable ordinance provisions governing the siting and operation of such uses; and
- (9) The City Council, with professional assistance from the City Manager, Planning Board, Code Enforcement Officer, and Police Department, intends to study the City's Code of Ordinances to determine the land use and other regulatory implications of such retail stores and related uses and activities, and to consider what locations, approvals and performance standards, if any, might be appropriate; and
- (10) It is anticipated that such a study, review, and development of recommended ordinance amendments will take at least 180 days from the date the City enacts this Moratorium Ordinance Regarding Medical Marijuana Storefronts; and
- (11) In the judgment of the legislative body of the City, the foregoing findings constitute an emergency within the meaning of 30-A M.R.S. § 4356 requiring immediate legislative action.

NOW, THEREFORE, pursuant to 30-A M.R.S. § 4356, be it ordained by the City Council as follows:

1. Moratorium. The City does hereby declare a moratorium on the siting, operation, or licensing of any Medical Marijuana Storefronts within the City.

For purposes of this Ordinance, "Medical Marijuana Storefront" is defined as a retail store or an establishment that resembles a retail storefront in terms of signage, hours of operation and accessibility to patrons, including without limitation a retail business as that term is defined in Section 9-151(94) or (94.5) of the City's Code of Ordinances, that furnishes or sells marijuana or marijuana products to qualifying patients, as that term is defined in 22 M.R.S. § 2422(9).

No person or organization shall locate or operate a Medical Marijuana Storefront within the City on or after the effective date of this Ordinance. During the time this Ordinance is in effect, no officer, official, employee, office, administrative board or agency of the City shall accept, process, approve, deny, or in any other way act upon any application for a license, building permit, conditional use permit, any other type of land use approval or permit, or any other permit or license related to a Medical Marijuana Storefront.

2. Date of Applicability. Notwithstanding 1 M.R.S. § 302 or any other law to the contrary, and regardless of the Effective Date, this Ordinance shall govern and apply to all proceedings and applications for a Medical Marijuana Storefront that were or are pending before the Code Enforcement Officer or the Planning Board on or any time after May 22, 2018 (the “Date of Applicability”).
3. Effective Date. This Ordinance shall become effective immediately upon its adoption (the “Effective Date”) and shall remain in full force and effect for a period of 180 days from the Date of Applicability, unless extended, repealed, or modified by the City Council pursuant to applicable law or until a new ordinance regulating Medical Marijuana Storefronts is adopted by the City, whichever shall first occur.
4. Conflicts; Savings Clause. Any provisions of the City’s ordinances that are inconsistent with or conflict with the provisions of this Ordinance are hereby repealed to the extent applicable for the duration of this moratorium. If any section or provision of this Ordinance is declared by a court of competent jurisdiction to be invalid, such a declaration shall not invalidate any other section or provision.
5. Violations. If any Medical Marijuana Storefront is located or operated in the City, in violation of this Ordinance, each day of any continuing violation shall constitute a separate violation of this Ordinance and the City shall be entitled to all rights available to it pursuant to 30-A M.R.S. § 4452, including, but not limited to, fines and penalties, injunctive relief, and its reasonable attorney’s fees and costs in prosecuting any such violations.

EMERGENCY DECLARATION

The City Council declares the existence of an emergency because the City Code of Ordinances is insufficient to prevent serious public harm that could be caused by the unregulated siting and operation of Medical Marijuana Storefronts and because the Council needs time to review the potential adverse impacts that may be caused by Medical Marijuana Storefronts, and consider amendments to its Code of Ordinances to mitigate any such impacts on the City and its residents and visitors.

In accordance with Article II, Section 9 of the City Charter, this Moratorium shall be enacted as an emergency ordinance. It shall be effective immediately upon enactment and shall remain in effect for 180 days from the date of applicability unless it is terminated or extended in accordance with this Ordinance.

SECTION 7-343 MARIJUANA ESTABLISHMENTS; LICENSE REQUIRED

1. License Required. No person shall establish or operate any marijuana establishment without first having obtained a license for the marijuana establishment from the municipal officers. Each applicant for a license shall complete and file an application on a form prescribed by the City Clerk, together with a license fee as required in Section 7-105 of this Chapter; evidence of any State approvals or conditional approvals required to operate the marijuana establishment, including, but not limited to, a current caregiver registration or a conditional license issued pursuant to Title 28-B; a statement identifying all owners, officers, members, managers, or partners of the applicant; and a description and sketch plan of the premises for which the license is sought. Prior to accepting an application, the City Clerk shall determine that the application is complete.

2. Condition Precedent. Any marijuana establishment required to be licensed by the State authority created for the purpose of regulating and controlling the licensing of adult-use marijuana establishments pursuant to Title 28-B of the Maine Revised Statutes, as amended, must secure a State provisional license from that State authority prior to submitting an application for a license pursuant to this section. A copy of the applicant's state license application and supporting documentation as filed with the State authority, and any amendments thereto, shall be filed with the application required pursuant to subsection 1, above.

3. License Issuance. The municipal officers shall license persons of good moral character to establish or operate a marijuana establishment, in accordance with the requirements set forth herein.
 - A. In determining whether to issue or deny a license application, the municipal officers shall consider (i) whether the applicant has failed any part of a state inspection or local health inspection; (ii) whether the applicant has failed to provide sufficient evidence of compliance with applicable local and state laws

and regulations; (iii) whether the applicant is of good moral character, considering the applicant's criminal record, if any, and all evidence presented; (iv) the applicant's failure to pay an outstanding fine, penalty or tax owed to the City; and (v) the City's need for additional marijuana establishments. In the review of any license application pursuant to this section, the municipal officers may require and solicit review comments concerning the approval considerations identified herein from any public officers, departments, or agencies of the City.

- B. License applications submitted pursuant to this section shall be approved or disapproved at any meeting of the municipal officers, after public notice and hearing.
 - C. The municipal officers may attach to any license issued pursuant to this section such restrictions and conditions as they deem necessary, appropriate, and reasonably designed to promote the health, safety, and welfare of the public.
 - D. A license issued under this section shall be effective for one year from the date of approval.
4. License Renewal. Renewal applications from persons having obtained a license under this section shall be submitted to the City Clerk in accordance with Section 7-104. The municipal officers shall annually review all renewal applications for the purpose of determining the status of the applicant's prior conformance and likelihood of continued conformance with the requirements of this Division, including the requirements of Section 3.A, above, and any restrictions or conditions of the license, and shall decide to either approve or deny the renewal application after public notice and hearing. An application for the renewal of an expired license shall be treated as a new license application if a renewal application is not submitted within thirty (30) days after the expiration or renewal date and shall be subject to the license fees and/or civil penalties set forth in Section 7-104.
5. License Suspension and Revocation. The municipal officers may suspend or revoke any license granted under this section if, after notice, and hearing, the municipal officers determine that the license holder is unfit to hold a license. The suspension or revocation of a marijuana establishment license issued by the State, the failure of a license holder to acquire and maintain all necessary local and State approvals, or the violation by a license holder of any applicable local or state laws and regulations (including without limitation the provisions of Chapter 9 or applicable building or life safety code requirements) shall be prima facie evidence that the license holder is unfit to hold a license. The municipal officers shall serve written notice of a hearing on revocation on the license holder or leave said notice at the licensed premises at least three days before the time set for hearing. At the hearing, the license holder shall be given an opportunity to hear the evidence in support of the charge against the license holder and to be heard in the license holder's own defense.

6. Voluntary Termination or Abandonment of License. Any license holder terminating or abandoning a license granted under this section must file a notice of termination or abandonment with the City Clerk. The fee for filing such notice shall be as provided in Section 7-105 of this Chapter.
7. Assignment or Transfer. No license issued under this section may be assigned or transferred to another entity. Any change in ownership or change in the officers of an owner shall require a new license, except in the case of a license amendment as described in Subsection 9 below. Licenses are limited to the premises for which they are issued and are not transferrable to another location. A license holder seeking to operate in a new location must first acquire a license for that location.
8. Substantial Progress. Any license issued under this section shall automatically expire if the licensee does not commence operation of the marijuana establishment within 90 days from the date of license issuance; provided, however, that the Code Enforcement Officer may grant the licensee one extension of up to 180 days if the licensee demonstrates substantial progress toward commencement of operation. An application for the renewal of an expired license under this subsection shall be treated as a new license application.
9. License Amendment. No retail marijuana establishment license holder shall transition from selling medical marijuana to adult-use marijuana, or from adult-use marijuana to medical marijuana, without first obtaining an amendment to such license. Each applicant for a license amendment shall complete and file an application, on a form prescribed by the City Clerk, providing copies of any State approvals or conditional approvals required to operate the marijuana establishment, including, but not limited to, a conditional license issued pursuant to Title 28-B. The City Clerk shall approve the license amendment provided the application is complete and all applicable criteria herein are met. An amendment to a retail marijuana establishment license shall not constitute a new license. The amended license shall have the same terms and validity period as the existing license. The fee for a license amendment shall be set by the City Council.

1. The number of licenses issued by the municipal officers under this section shall be limited to three (3) licenses.

2. Available licenses shall be advertised by the City and such advertisement shall include a deadline for the submission of license applications for marijuana retail stores. The municipal officers shall conduct a lottery to establish the order in which applications received will be reviewed pursuant to Section 7-343. Prior to the lottery, the City Clerk shall review all applications for timeliness and completeness, provided, however, that the omission by the lottery applicant of a description and sketch plan of the premises for which the license is sought shall not cause the application to be deemed incomplete for purposes of the lottery (but a description and sketch plan of the premises must be provided by the applicant prior to issuance of a license under this section). Any untimely submitted or otherwise incomplete applications shall be excluded from the lottery. The municipal officers shall review the timely and complete applications in the order established by the lottery pursuant to the requirements of Section 7-343 until the maximum number of licenses are approved.

3. If at any time a license issued under this section expires without timely renewal, is suspended or revoked by the municipal officers, or is terminated or abandoned by the license holder, the municipal officers shall make available the license to new applicants by soliciting new license applications in accordance with subsection 2, above. Any person who submitted an application in response to prior solicitations must submit a new timely and complete application to be included in the new lottery.
